

Alcester & District  
Local History Society

## PHOTO-SURVEY 2018

Every 10 years the society carries out a photographic survey of the town and surrounding district and we are looking for volunteers for this year's survey.

We need you to take up to 36 photos during the month of June of buildings, events, meetings or groups of people. You can use film or digital cameras, tablets or smartphones. We can help with downloading the photos if that is a problem for you.

We will then select the best photos for inclusion in our archive.

**WE NEED YOUR HELP !**

### IF YOU ARE USING FILM

We will provide a film and arrange processing. All you have to do is take the photos and then hand the film in to us.

### IF YOU ARE USING A DIGITAL CAMERA, TABLET OR SMARTPHONE

If you know how to download your photos to a USB stick or you know someone who can do that for you we will provide you with a USB stick. When you have downloaded your photos just hand the stick in to us.

If you would like us to download your photos for you, there are three choices. Firstly, you can bring your camera/phone to our monthly meeting in August. Secondly you can take it to Alcester Library between 10.00-12.00 on any Thursday and Silver Surfers will help you. Thirdly you can phone 0777 3293968 and speak to Stephen Godfrey, who will make arrangements with you to download the photos.

It really is that easy!
